

PE1946/J: To call on the Scottish Government to pay all charges for homeless temporary accommodation

COSLA submission, 15 April 2024

COSLA's Community Wellbeing Board were broadly content with all the recommendations from the Task and Finish Group. In relation to Rec 14, it was our shared understanding with the Scottish Government that ALACHO (the Association of Local Authority Chief Housing Officers) would have to lead on this as housing practitioners and experts, as it was clear COSLA would not have the resource for this type of discrete project.
