Dear Nick

UK-EU Trade and Cooperation Agreement: Barriers to trade in goods and opportunities to improve the UK-EU trading relationship

The Scottish Parliament Constitution, Europe, External Affairs and Culture Committee has today published its report, [UK-EU Trade and Cooperation Agreement: Barriers to trade in goods and opportunities to improve the UK-EU trading relationship.](#)

The Committee would welcome a written response on the recommendations and conclusions of our report.

The Committee also agreed to invite you to give evidence, following the Committee's consideration of the written response. Our clerks are available to discuss a mutually convenient date with your officials.

Yours sincerely,

Clare Adamson MSP
Convener
