Dear Clare,

1st October 2024

Thank you for your letter of 10 September highlighting the Committee's report on the UK-EU trading relationship. As you will know, the Government intends to reset the UK-EU relationship to improve security cooperation and tear down barriers to trade.

As a Welsh MP, it is important to me that the views of the devolved legislatures and governments are taken into account during this process. I will ensure that my officials consider the Committee's recommendations.

I would be pleased to meet with the Committee informally in the coming months to discuss the UK-EU reset. I have instructed my officials to work with your clerks to find a suitable date.

Thank you for taking the time to write about these important matters.

Yours sincerely,

**Rt Hon Nick Thomas-Symonds MP
Minister for the Cabinet Office
HM Paymaster General**
