5 October 2021

Dear Lady Paton,

Thank you for attending the evidence session at last Tuesday's meeting of the Delegated Powers and Law Reform Committee, along with Charles Garland. Your evidence was very helpful and, as I hope you felt at the time, hugely appreciated by the Committee. It was also very nice to meet you in person.

As part of our discussions, you will recall a question was asked on the anticipated timescales of your likely work on tenement property and common repairs. You very kindly agreed to respond with an update on the latest position. I would therefore be grateful for a response by **Thursday, 28 October**, if possible.

Finally, thank you also for leaving the Committee with your press cuttings, which our Official Report colleagues were grateful to have sight of.

I look forward to hearing from you.

Yours sincerely

Stuart McMillan MSP
Convener of the Delegated Powers and Law Reform Committee
