Dear Tom

Visitor Levy (Scotland) Bill at Stage 3

Thank you for your letter of 16 May in relation to the Visitor Levy (Scotland) Bill at Stage 3.

The Committee has noted your correspondence and was grateful to you for making it aware of the Scottish Government's proposed amendments ahead of Stage 3 in relation to new standalone delegated powers, amendments related to matters already in the Bill and consultation requirements for regulation-making powers.

Yours sincerely

Stuart McMillan MSP
Convener of the Delegated Powers and Law Reform Committee
