Who we are

The Scottish Parliament
Pàrlamaid na h-Alba

We are the **Health, Social Care and Sport Committee** of the **Scottish Parliament**.

A **committee** is a small group of people who are **Members of the Scottish Parliament** also called **MSPs**.

The Scottish people decide who is an MSP by voting for them in elections.

The **Scottish Parliament** makes laws in Scotland. It speaks out for people in Scotland.

The Scottish Parliament also checks what the **Scottish Government** is doing.

© The Scottish Government

The **Scottish Government** decides how to run the country.

For example, the Scottish Government makes decisions about health and social care services in Scotland.

© The Scottish Government

Members of the Scottish Government are called **Ministers**. The leading Scottish Government Ministers are called **Cabinet Secretaries**.

The Scottish Government and the Scottish Parliament are separate organisations.

About the Health, Social Care and Sport Committee

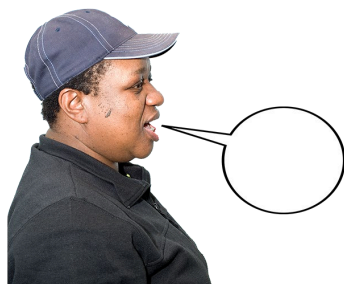

Our committee meets to talk about health, social care and sport in Scotland.

We check what the Scottish Government is doing to make health and social care services in Scotland happen.

Sometimes we ask Scottish Government Ministers to come to our committee meetings.

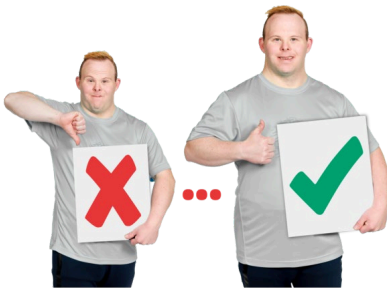

We ask them questions about health and social care services in Scotland.

We have asked a Scottish Government Minister called **Michael Matheson** MSP to come to a committee meeting in September 2023.

Michael Matheson MSP is the Scottish Government Cabinet Secretary for **NHS Recovery, Health and Social Care**.

NHS recovery is a plan to improve NHS services after Covid-19.
