Dear Ms Burgess,

Thank you for your email letter of 31 May 2024 to the Cabinet Secretary for Social Justice (and cc Minister for Housing). I am responding in my capacity as Minister for Climate Action given that the subject matter of these Directives falls broadly within my portfolio.

I can confirm that the EU has recently adopted revised versions of these Directives.

[Energy Efficiency Directive](#) (EU/2023/1791)

[Energy Performance of Buildings Directive](#) (EU/2024/1275)

The Scottish Government is now considering its position on alignment and will be happy to provide a further update in the annual progress report in October 2024.

Yours sincerely,

Gillian Martin
