Dear Paul,

Thank you for your letter of 28 May and for confirming that you would be available to give evidence on the Civic Government (Scotland) Act 1982 (Licensing of Short-term Lets) (Amendment) Order 2024 on Tuesday 25 June.

The Committee notes that your letter confirms that you intend to provide us with an update on the implementation of short-term let licensing before the start of summer recess.

It would be helpful if this update could be received before your appearance on 25 June, ideally by close on Wednesday 19th. I would be grateful if you could confirm whether this would be possible and if not, whether you could confirm the intended publication date.

Yours sincerely,

Ariane Burgess
Convener, Local Government, Housing and Planning Committee
