Dear Secretary of State,

### **UK Levelling-up and Regeneration Bill**

Congratulations on your recent appointment as Secretary of State for Levelling Up, Housing and Communities.

As you may be aware, the Scottish Parliament's Net Zero, Energy and Transport Committee is designated 'lead committee' to consider the legislative consent memorandum lodged by the Scottish Government on the UK Levelling-up and Regeneration Bill.

I [wrote to your predecessor](#), Mr Clarke, on behalf of the Committee to seek further clarity on a number of points in relation to the Bill.

The Committee hopes to report its findings on the legislative consent memorandum to the Scottish Parliament by the end of November and, as such, the Committee would be grateful if a response to the points raised in my previous correspondence could be provided by 4 November 2022.

I look forward to hearing from you.

Yours sincerely,

Edward Mountain MSP  
Convener  
**Net Zero, Energy and Transport Committee**
