29 February 2023

Dear Gillian,

**Retained EU Law (Revocation and Reform) Act 2023 (Revocation)  
Regulations 2024**

At its meeting on 27 February, the Net Zero, Energy and Transport Committee considered the Scottish Government's consent notification for the following UK statutory instrument–

Retained EU Law (Revocation and Reform) Act 2023 (Revocation)  
Regulations 2024

Further to our scrutiny of this notification, the Committee agreed that it is content for the Scottish Government to give consent to UK Ministers making regulations on its behalf in relation to this SI on the basis that the Scottish Government has assessed the instruments being revoked as obsolete, and thus the revocation will not result in any policy divergence.

Yours sincerely,

Edward Mountain MSP  
Convener
