Members' Business motions that have not achieved cross party support

***[S6M-15212](#) James Dornan: Profits on the Duchies of Lancaster and Cornwall**—That the Parliament believes that people in Scotland, including in the Glasgow Cathcart constituency, watched with horror and disgust the report from Channel 4's *Dispatches* programme, which highlighted what it sees as the unconscionable greed of members of the Royal Family; considers that King Charles and his son, William, Prince of Wales, drained numerous charities and the NHS of vitally important funds, by charging rent for the use of their lands; believes that this deprived those crucial bodies and services of much-needed funds; notes the belief that a constitutional monarchy, as portrayed by the Royal Family, is no longer a suitable basis of government for the UK or any potential future independent Scotland; further notes the support for moves towards the creation of a democratic system of government, in which the heads of state are selected by the people of the country that they purport to represent and not by chance of birth, as at present, and notes the belief that the monarchy, until such time, should be liable to the same environmental, housing and other regulations as other businesses and pay taxes on any profits made from its private income related to the Duchies of Lancaster and Cornwall.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
