Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
