Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have not achieved cross party support

***[S6M-00251](#) Douglas Ross: The Campaign to Restore the Consultant-led Maternity Unit at Dr Gray's, Elgin**—That the Parliament understands with concern that, following a decision in July 2018 to downgrade the consultant-led maternity unit at Dr Gray's in Elgin, many local expectant mums have to travel out of Moray to give birth; praises the efforts of midwives and all the staff who provide an outstanding service for those who can give birth there, but believes that too many women are made to travel outwith Moray to give birth; understands that the Scottish Government has commissioned an independent review of maternity services at Dr Gray's to consider how best to restore the consultant-led service; commends the Keep MUM group and the local campaigners who are fighting hard to have the service restored; understands that the community was originally told that the downgrade would be temporary for up to a year, but notes that, almost three years on, the service has still not been restored, and notes the calls on the Scottish Government and NHS Grampian to urgently seek a resolution to this issue and to provide families in Moray with the locally-based maternity services that they deserve.

Other new and altered motions and amendments

***[S6M-00256](#) Collette Stevenson: South Lanarkshire Colleges United Against Gender-based Violence**—That the Parliament congratulates South Lanarkshire College as it takes part in a new pilot to help tackle gender-based violence; notes that the college is only one of two colleges in Scotland to take part in the charter, which was created by EmilyTest, a Scottish charity working to improve prevention, intervention and support concerning gender-based violence in further and higher education; recognises that South Lanarkshire College has been incredibly proactive in undertaking work in this area to facilitate a safe environment for all staff and students and welcomes that its efforts have extended into the wider community through participation in local events and activities, and considers that, through such efforts, everyone can share the hope that, one day, the charter will be rolled out across all colleges and universities.

***[S6M-00255](#) Mark Griffin: Carers Week 2021**—That the Parliament welcomes Carers Week 2021, which is an annual campaign that, this year, takes place from 7 to 13 June on the theme of “Making Caring Visible and Valued”, and coming together to recognise the contribution of the 1.1 million unpaid carers and young carers in Scotland; acknowledges that it is organised by the five charities in Scotland, Carers Scotland, Carers Trust Scotland, MND Scotland, Oxfam Scotland and Age Scotland; understands that there will be hundreds of events held virtually across Scotland, which will reach out to thousands of unpaid carers and young carers; values the significant and vital contribution of unpaid carers and young carers during the COVID-19 pandemic, and considers that the impact of caring on the health and wellbeing of unpaid carers and young carers, including social isolation, should not be underestimated; recognises that many unpaid carers and young carers have struggled to get a break from caring and understands how important short breaks are to maintain positive health and wellbeing; understands that the support that carers provide is worth more than £43 million to the economy every single day; considers that every effort should be made to ensure that unpaid carers and young carers receive the support that they need, including support to take a break and reduce the impact of the pandemic on their lives and recognise their particular needs as lockdown eases, and wishes Carers Week every success.

***[S6M-00254](#) Stuart McMillan: Pawsitively Purrfect Named Pet Provider of the Year**—That the Parliament congratulates the Port Glasgow-based business, Pawsitively Purrfect, on being named Pet Provider of the Year for the Glasgow and West Region by Prestige Awards/Business Scotland Magazine; notes that business owner, Christina O’Donnell, saw off competition from more than 60 other companies to land the top prize; understands that a panel of judges chose Pawsitively Purrfect based on reviews, web and social media presence and community impact, as well as mystery shoppers; believes that this award is testament to the high-quality service that Christina provides to her customers, and wishes her and her business well for the future.

***[S6M-00253](#) Monica Lennon: World Environment Day 2021**—That the Parliament recognises that 5 June 2021 is World Environment Day and marks the official launch of the UN Decade on Ecosystem Restoration campaign; notes the theme this year is Reimagine, Recreate, Restore; understands the UN Decade aims to prevent, halt and reverse the degradation of ecosystems on every continent and in every ocean; believes that reviving damaged ecosystems across the world can help to combat climate change and tackle poverty if everyone, from multi-national corporations to individuals, assesses their own consumption patterns and carbon footprint; welcomes action by Scottish local authorities who have signed up to the Clyde Climate Forest Project and have committed to plant 18 million trees prior to COP26, and urges the Scottish Government to continue supporting initiatives that promote healthy ecosystems.

***[S6M-00252](#) Fiona Hyslop: West Lothian College Creates New Qualification for COVID-19 Mobile Testing Unit Operatives**—That the Parliament welcomes the partnership between West Lothian College and the Scottish Ambulance Service to develop a new vocational qualification in health and social care for staff working at Mobile Testing Units (MTUs) across Scotland where they provide easy access to a COVID-19 test; understands that the nine-week Gateway to Health and Social Care course provides MTU operatives the opportunity to formally demonstrate the skills and knowledge that they have developed in their work at the testing centres; notes that this provides staff with a transferable qualification for further opportunities in health and social care once the testing centres are no longer required, and commends the college for its responsiveness in supporting employers such as the Scottish Ambulance Service to help their employees gain the skills to adapt to changing circumstances.

***[S6M-00250](#) Clare Adamson: Water Safety Scotland, #RespectTheWater**—That the Parliament notes that, with COVID-19 restrictions easing, Water Safety Scotland has launched its #RespectTheWater campaign understands that in 2020, post-lockdown, people flocked to the coast and inland waters across the UK and there was an alarming increase in drowning incidents; notes that Water Safety Scotland is particularly concerned that the easing of lockdown conditions this year might see another surge in drowning incidents as people head to beaches, rivers and other waterways, and it applauds on its commitment to ensuring that people to get out and enjoy the waterways of Scotland safely.

***[S6M-00247](#) Clare Adamson: Steve Byrne Secures The Corries' Iconic Bouzouki**—That the Parliament recognises that the musical instrument played by The Corries during the band's first-ever televised performance of *Flower of Scotland* has been secured to be placed in Saint Cecilia's Hall in the University of Edinburgh following an anonymous donation to a crowdfunder instigated by the musician and fokelolist, Steve Byrne; notes that the traditional Greek bouzouki was played by Roy Williamson when *Flower of Scotland* was premiered in 1968, and congratulates Steve and all who donated to ensure that the instrument is in the hands of the University of Edinburgh.

Supported by: Fulton MacGregor*, Siobhian Brown*, Annabelle Ewing*

***[S6M-00246](#) Gordon MacDonald: Currie Community High Wins Scotland's Most Enterprising School**—That the Parliament congratulates the pupils and staff of Currie Community High School on being announced as the winners of Scotland's Enterprising Schools (SES) Most Enterprising School award at the annual SES Awards, held in conjunction with Young Enterprise Scotland's Festival of Youth Enterprise 2021; understands that SES is an online resource where practitioners can access support and ideas to help them embed enterprise into the curriculum, receive professional learning sessions and mentoring, and attend authority-wide conferences; notes that membership of the online platform is free and practitioners can download a variety of resources covering ages three to 18; agrees with SES that the "Enterprising Schools Awards have given us the chance to celebrate truly enterprising approaches to learning and

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
