***[S6M-00813](#) Neil Gray: Universal Credit Uplift**—That the Parliament notes with concern the reported plan by the UK Government to remove the £20 per-week uplift to universal credit (UC) and working tax credits from the end of September 2021; understands that around six million families across the UK receiving UC will lose £1,040 of their annual income, pushing an estimated 500,000 people into poverty; believes that, without the £20 uplift, this form of social security support will drop to its lowest level in three decades; acknowledges the letter sent by the relevant committee chairs from all four parliaments to the UK Government calling for the uplift to be kept; agrees that the uplift has been a lifeline for millions during the COVID-19 pandemic, including people in Airdrie and Shotts, and notes calls on the UK Government to make the uplift permanent and to extend it to legacy and related benefits.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
