The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Other new and altered motions and amendments

\*[S6M-02305](#) **Sandesh Gulhane: Anniversary of Mumbai Terrorist Attack**—That the Parliament notes the 13th anniversary of the terrorist outrage in Mumbai, which left 175 people dead and over 300 wounded over four days of coordinated shooting and bombing attacks between 26 and 29 November 2008; continues to express its support for and solidarity with the government and people of India who were impacted by the atrocity, and underscores its condemnation of terrorism anywhere in the world.

Supported by: Jeremy Balfour\*, Alex Cole-Hamilton\*, Alexander Stewart\*, Murdo Fraser\*, Bill Kidd\*, Miles Briggs\*

\*[S6M-02298](#) **Anas Sarwar: Scottish Event Campus and COP26**—That the Parliament welcomes what it sees as the global success for Glasgow in hosting COP26; thanks all the staff at the Scottish Event Campus (SEC) for their tireless hard work to make the event such a global focus; praises the teams from across the SEC, including catering, audio visual and security, for their collaborative and dedicated work with the United Nations Framework Convention on Climate Change (UNFCCC) and the UK Presidency; understands that there has been a large volume of messages from other conference venues and SEC customers from around the world praising the venue for its iconic setting; supports the work that the SEC is doing to expand its premises to become one of the greenest and most innovative campuses in the world, and calls on the Scottish Government to support the expansion plans as a fitting legacy to COP26.

\*[S6M-02290](#) **Liam McArthur: Jersey States Assembly Approves Assisted Dying**—That the Parliament notes the news that the States Assembly, which is the parliament of the island of Jersey, has voted overwhelmingly to support a proposition for assisted dying; understands that this is the first jurisdiction in the British Isles to approve this choice; notes that the States Assembly was asked to agree in principle that assisted dying should be permitted on the island in limited circumstances, following a citizens' jury, which had been tasked with examining the arguments for and against legalisation earlier in 2021; understands that the citizens' jury strongly recommended that the law should be changed to allow the choice for dying citizens; further understands that Jersey's Council of Ministers will now be tasked with drafting assisted dying legislation to be debated by the States Assembly by the end of 2022; notes that the vote took place shortly after New South Wales, which is the only Australian state still to legalise assisted dying, passed a vote

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
