Debate on the subject of—

[S6M-05615](#) Kaukab Stewart: Changing the Boundaries – Ending Institutional Racism in Sport—That the Parliament notes with concern that the report, *Changing the Boundaries: The Plan4Sport Independent Review into Racism in Scottish Cricket*, found Cricket Scotland to be institutionally racist; understands that the review identified 448 examples demonstrating institutional racism; further notes Sir William MacPherson’s definition of institutional racism contained in the 1999 report of the public inquiry into the death of Stephen Lawrence, as “the collective failure of an organisation to provide an appropriate and professional service to people because of their colour, culture or ethnic origin”; acknowledges that institutional racism in sport may not be restricted to Cricket Scotland; recognises what it sees as the detrimental effect of institutional racism on an individual’s potential, achievement, health and wellbeing; notes the hope that the implementation of the immediate and long-term recommendations of the independent review will deliver substantial improvements in the experience of people of colour in all sports; further notes the recommendation to improve the diversity of the Cricket Scotland board, and the view that this recommendation, coupled with steps to review diversity at all levels of decision making, can be of great importance in delivering diversity in boards and at all levels of decision making across all sports; notes the view that effective equalities and anti-racist strategies are important in organisations that are in receipt of government funding; welcomes the assessment framework set out in the report; notes the view that this could be used as a conditional part of funding criteria for all funding of sport in Scotland; highlights that ethnically diverse communities

are a priority group for sportscotland's 2021-25 Equality Outcomes published in 2022; believes that there are many examples of clubs and individuals delivering local programmes that engage with diverse communities, including in the Glasgow Kelvin constituency; appreciates what it sees as the important work being done by groups including, but not limited to, Show Racism the Red Card, Kick it Out, Running Out Racism; notes the calls for partnership working to eradicate any forms of racism in sport, and looks forward to the day when zero tolerance for any processes, attitudes and behaviour that amount to racial discrimination, through the exclusion of minority ethnic people from participation and talent development opportunities, becomes a reality in Scottish sport.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
