Glasgow on winning the *Big Issue* Christmas cover competition with his colourful picture of a snowman; understands that judges praised Fergus for his collage of a snowman, dressed in the famous red *Big Issue* tabard and cap, with a *Big Issue* magazine in hand; notes that his design was chosen from hundreds of entries from children, and will be on the front cover of the magazine; understands that Fergus got some magazines, cut out shapes and put them together to make his design, and understands that he was just going to have a snowman, but wanted him to wear a *Big Issue* jacket and hat, so that he looked like he was selling the *Big Issue*.

***[S6M-07208](#) Ross Greer: Turkish Airstrikes in Kurdish-majority Towns**—That the Parliament condemns Turkish airstrikes, which have reportedly hit Kurdish-majority towns in northern Syria and Iraq, including, it understands, the city of Kobani, on 19 and 20 November 2022; notes with concern that these airstrikes have reportedly killed at least 13 civilians, including one journalist and injured many others as well as destroyed or damaged civilian infrastructure, including a hospital, grains silo and a power plant; further notes what it sees as the apparent pattern of military action being taken against the Kurdish populations of Syria, Iraq and within Turkey itself during periods of domestic unpopularity for what it considers as the ultranationalist AKP government under Recep Erdogan, or in the periods leading up to elections or referendums; calls on Turkey to cease what it considers as the unjustified bombing campaigns in Syrian and Iraqi Kurdistan and the threats of a further invasion of north east Syria, and to withdraw its forces from the areas of Syria already reportedly under Turkish occupation, and offers its solidarity to the peoples of the Autonomous Administration of North and East Syria in what it believes to be their collective endeavour to establish a peaceful, democratic and feminist society.

***[S6M-07184](#) Neil Bibby: Helping Children in Poverty Inverclyde** —That the Parliament commends nine-year-old Ella Harley and her mum, Jennifer, on their recent toy appeal to ensure that no child is left without a present under the tree this Christmas; understands that the Harleys signed up to back the Children in Poverty Inverclyde festive appeal and were overwhelmed by the number of gifts left at their door; further understands that Ella and some of her friends took part in the toy drive in 2021 as well, and wanted to do something for children who do not get as many presents as they do around Christmas time; notes that the recipient of the toys will be the Rainbow Centre, which provides early learning and childcare and can give the presents to the families most in need, and commends their effort in helping those around them in their local community.

[S6M-07096](#) Stephanie Callaghan: £13 Million in Grants Awarded to Scotland's Coastal Communities—That the Parliament welcomes the £13 million in grants awarded to fishing businesses and marine organisations in Scotland's coastal communities from Marine Fund Scotland's latest round of funding; notes that a total of 60 projects, which, it understands, contribute to innovative and sustainable practices, minimise carbon emissions and support coastal communities, will receive grants ranging from £7,000 to £1.2 million; further notes that Bellshill-based Scottish Shellfish Marketing Group will use its funding for an upgrade of its refrigeration system, and understands the importance of this funding in supporting continual investment in the Scottish shellfish industry, which, it understands, is facing numerous challenges presented by Brexit, the COVID-19 pandemic and inflationary pressures on businesses.

***[S6M-07096.1](#) Emma Roddick: £13 Million in Grants Awarded to Scotland's Coastal Communities**—As an amendment to motion S6M-07096 in the name of Stephanie Callaghan (£13 Million in Grants Awarded to Scotland's Coastal Communities), insert at end "; further understands that the Scottish Government is prevented from making long-term strategic investments because the UK Government will only provide funding on a one-year basis whilst the European Maritime and Fisheries Fund (EMFF) provided multi-year allocations; believes that, based on the EMFF budget for 2021-2027, and on Scotland's sea area alone, an equitable and evidence-based funding share would be £62 million per annum, and considers that, in light of what it sees as the, as yet unfulfilled, UK Government promise to match EU funding, Scottish businesses and coastal communities are being short changed by a hard Brexit that was forced on Scotland against its expressed democratic will."

***[S6M-07042](#) Kaukab Stewart: Congratulating Raza Sadiq of Active Life Club on Winning the Sportscotland Community Hero Award 2022**—That the Parliament congratulates Raza Sadiq, founding member and chairperson of Active Life Club, on winning the Community Hero Award at the 2022 sportscotland Awards; notes that Active Life Club is based in Glasgow and offers services for young people to support their social and mental wellbeing through participation in sport; commends Raza for over 23 years' service in the voluntary sector to promote diversity and inclusion within the community, using sport as the mechanism to create social cohesion; further commends him for his work as part of the Running Out Racism campaign group, which, it understands, seeks to eradicate racism from Scottish cricket; acknowledges his contribution to policy development in sport, and believes that his dedication and vision has changed the lives of thousands of children and young people through the Active Life Club.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
